

IShellCommand

```
classDiagram
    class IShellCommand
    class ChamiUI_BusinessLayer_ShellCommandBase["ChamiUI.BusinessLayer.ShellCommandBase"]
    ChamiUI_BusinessLayer_ShellCommandBase --|> IShellCommand
```

The diagram illustrates a class hierarchy. At the top is a box labeled 'IShellCommand'. Below it is a larger, shaded box labeled 'ChamiUI.BusinessLayer.ShellCommandBase'. A blue arrow points from the bottom of the shaded box up to the bottom center of the 'IShellCommand' box, indicating that 'ChamiUI.BusinessLayer.ShellCommandBase' inherits from 'IShellCommand'.
